EXPERIENCE

CRISP Agency

Front-End Developer and Designer

- Worked closely with designers and content strategists to build marketing websites that fit the needs of the clients
- Maintained 10+ client websites by providing regular updates such as creating new design assets and building new pages/templates
- Led transition of development team from one off landing pages to full site builds (CMS and static)
- Owned UX strategy and implementation of animations for all site builds

Raleigh, NC

June 2015 - Present

NC Technology Student Association (Contracter)

Front-End Developer + Digital Manager

- Complete overhaul of the organizations digital presence to suit the needs of members
- Creating site design to accurately represent the culture and feel of the organization
- Designing/integrating promotional content to boost membership in form of print and motion graphics

Raleigh-Durham, NC
